What happens next?

Abuse Prevention Systems will automatically send an email to your Trainees containing a link to the online Training. Your Trainee simply needs to click on the link in the email.

After clicking on the link, your Trainee will be prompted to watch the Sexual Abuse Awareness Training, which is about 1 hour in length. After watching the Training, your Trainee will be prompted to take a short quiz, which is scored online. A score of 70 or better will generate a Certificate of Completion.

Once your Trainee has completed the quiz, an email containing the Certificate of Completion will be sent to the Trainee and you, the Safety System Administrator. The online Control Panel will also update to reflect the completion and calculate the renewal date for the Training.

If the Training is not completed in a reasonable time period, check with your Trainee to determine if there is a problem, or simply resend the Training link. You can also enable renewal reminders in your Training Settings.

FREQUENTLY ASKED QUESTIONS

How efficient is the email system?

Very efficient! APS sends tens of thousands of links per month and over 95% of them get to the Trainee the 1st time.

How are we billed?

Berkley Human Services is covering your first year's annual fee. For any trainings, background checks, or future annual fees, APS bills on the first of each month for the previous month's usage.

Why might a trainee not receive the email?

Incorrect email addresses account for the majority of errors. However, because this is a *child sexual abuse* Training, some spam filters send the email to junk or block the email altogether.

Can I send the link to any email address?

Yes, you can send the link to any email. You can forward it; copy and paste the link; whatever you need to do. Just remember the Training link is specific to one Trainee and that Trainee must complete the Training using his or her own link.
